Beautiful ideas need a
beautiful space

We care about the details, because it's the little things — like receiving a
beautiful branded email — that make your audience feel special.

Own the space

Upload your logo and change
your page's look and feel at the
touch of a button.

Build your ecosystem

Pick your color palette and add
recognizable elements to
create brand consistency.

Claim your domain

Customize your WeTransfer
URL and claim your subdomain
to easily share it with your
audience.

Create an experience

Add rotating images or videos
to your WeTransfer background
to bring your page to life.

Expand your reach

Add your social media links to
the background of your page
to let your audience engage
with you.

Sent from you

Build audience trust by
creating a beautifully
personalized email experience.

portia@wetransfer.com

“When clients visit our branded
WeTransfer page, they know they’re in a
place they can trust. For us, that’s
extremely important, because it means
we’ve created consistency and
familiarity.”

— Massimo Franco, Market Researcher
